

Self-Portrait Instructions

How do I look?

Supplies:

- Construction paper
- Yarn
- Scissors
- Glue
- Decorative craft items: glue, foam stickers, adhesive jewels, google eyes, glitter markers, etc

Script:

God wanted to create people in an extra special way, so He made Adam and Eve in his own image! Did you know that each one of us is made in God's image too? Being made in God's image means that God wanted us to be like Him, so there are parts of us that remind us of who God is.

Portraits are pictures of people and a self-portrait is when we draw ourselves. Since we're God's creation, portraits are sort of like visual stories. When we see a portrait, we see how God made us unique to fit in His big story.

Directions:

Use any supplies you have around the house to create a self-portrait! You can print out the face template below or create your own!
