

Make an Instrument

Script:

We learned that God is worthy of worship! That means he deserves worship. There are many different ways to worship; you can sing, dance, write a song, or just talk to God! The best thing about worship is that you can do it anywhere, it doesn't have to be at church. You can worship at home, in the car, at the park, even in the grocery store. Today, let's make instruments so we can sing and worship God together.

Instructions:

For this activity, we encourage you to use anything that you have around the house. Maybe that's an empty bottle, a tissue box, or a toilet paper roll! Do what you can with what you have!

Ideas:

- plastic bottles
- empty (and cleaned) yogurt container or cans
- toilet paper roll
- tissue box
- small rocks/gravel
- beads
- paint & brushes
- stickers
- glitter
- markers
