

Lion Puppet

Script:

Today in our Big God Story, we learned about a man named Daniel. Daniel knew God and loved him very much, and all of his life he stayed faithful to God. King Darius liked Daniel very much and put him in charge of many people in the kingdom. The men didn't like it and made an evil plan to get Daniel into trouble with the king. The men went to the king and made him make a new law. The law said that anyone who worshipped other gods would be thrown into a lions den. The men knew that Daniel would always worship his God and when he did, they went to king Darius and told on him. King Darius was sad for his friend but had to follow the law, he threw Daniel into the lions den. The next morning the king went to see what had happened to Daniel and saw that the lions did not hurt him. God protected Daniel from the lions. God is the living God!
