

Marshmallow Walls - Nehemiah

Script:

In today's Big God Story we learned about a man named Nehemiah. Nehemiah loved God and loved Jerusalem. When Nehemiah heard that the walls of Jerusalem had been destroyed and that God's people were in trouble, he knew he needed to go to Jerusalem. Nehemiah and other people that lived near Jerusalem rebuilt the walls of the city. It was hard work but they worked together to build and fix each part of the wall. When they were finished it was safe for God's people to live in Jerusalem again!

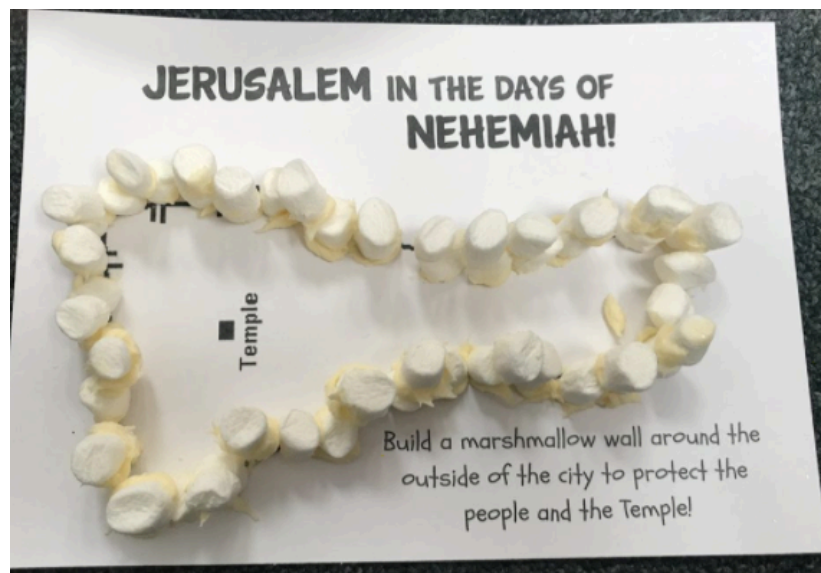

Supplies Needed:

- Mini Marshmallows
- Frosting or Peanut Butter
- Plastic knife or popsicle stick
- Print out of "Jerusalem in the days of Nehemiah"

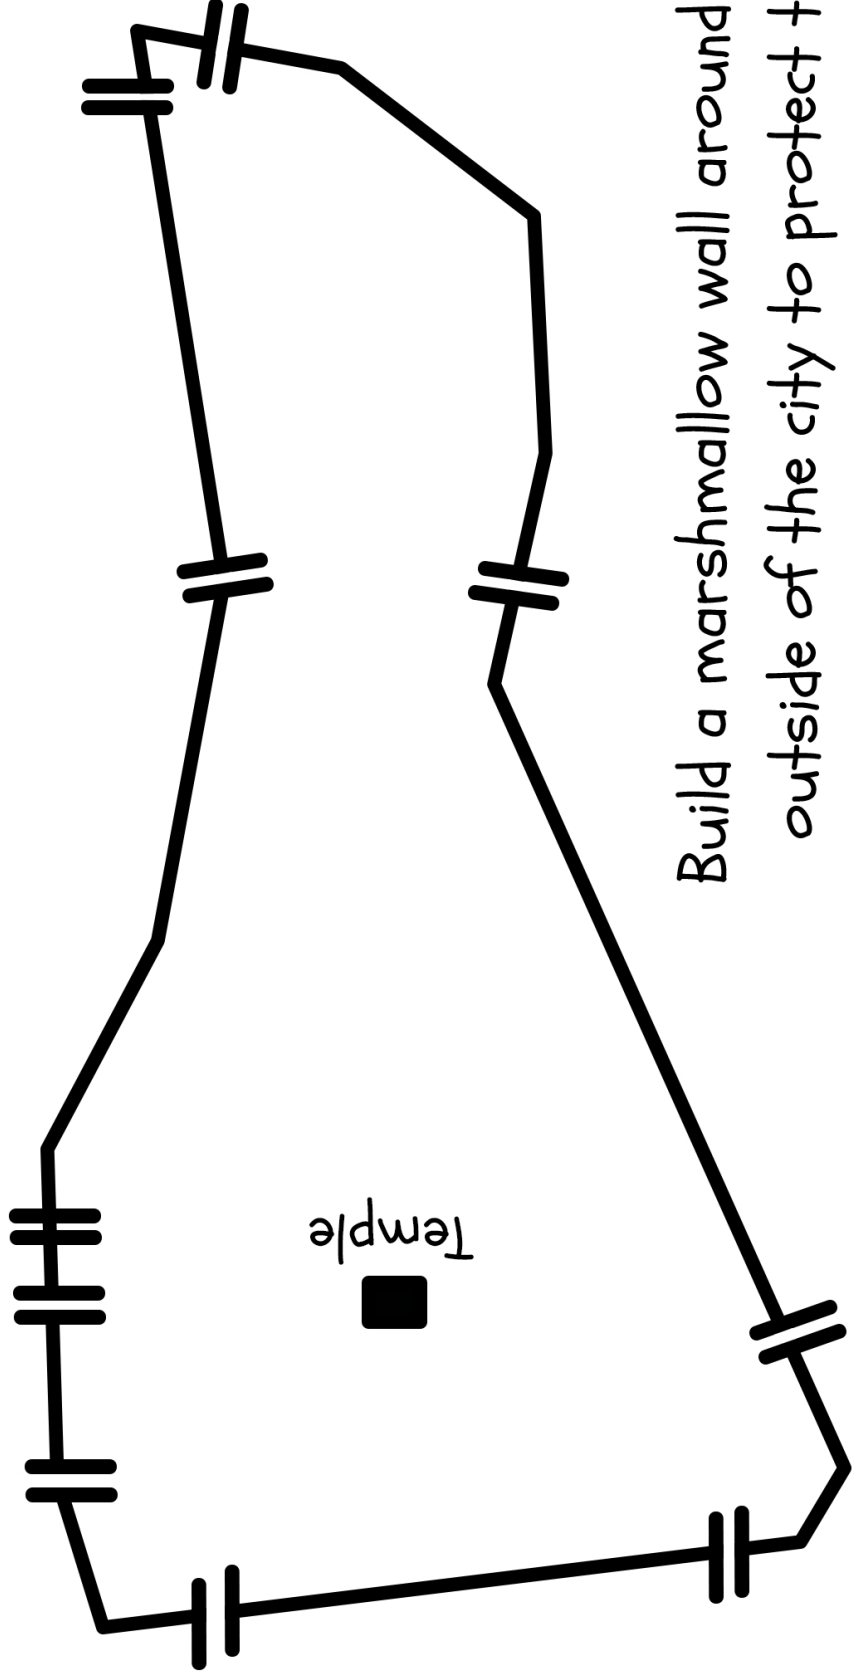

Instructions:

Using a plastic knife or popsicle stick, use the marshmallows like bricks and the frosting or peanut butter like mortar. Smear a small amount of frosting or peanut butter onto each marshmallow and stick them together. Build a big wall around to represent the walls of Jerusalem.

Example:
